**Covenant** - Covenant is about relationship, about two becoming one. It's about being.

**Kingdom** - Kingdom is about responsibility, about what God wants you to do on His behalf. It's about doing.

# **The implications of a covenant between tribes or families**

- Whatever has been promised is now secured.
- The two people(s) become one people.
- They give up their independent and individual identities. They now have a singular identity.
- This is represented in the death of a substitute, a representation, that is killed.
- It all our business, it's all His business.
- Protection, provision, sacrifice, gifts, to the death, to the life.

# Genesis 17
